BITCOIN

Gifts of Bitcoin and other cryptocurrencies are currently accepted by UVA through a Donor Advised Fund (DAF) at either Fidelity Charitable or National Philanthropic Trust (NPT). The paperwork to setup a DAF is simple and takes but a few minutes to complete. The minimum initial contribution to a DAF is \$5,000 at Fidelity and \$25,000 at NPT. NOTE: In 2014, the IRS issued guidance that Bitcoin is to be treated as a property for federal tax purposes. More information can be found [here](#). Given the IRS guidance that Bitcoin can be treated as property, donating appreciated Bitcoin offers tax benefits.

Donors should consult with a tax advisor to review their personal situation and tax law applicable at the time of the contribution.
